

Steeky Meadow Course Information

We look forward to welcoming you to Steeky Meadow.

Here are a few things to note before your visit, please read carefully:

DIRECTIONS

Please do not try to follow your satnav or mobile map to Steeky Meadow as it will very likely lead you wrong!

Instead, follow directions to The Who'd Have Thought It Inn (The Whody), Milton Combe, PL20 6HP. We recommend approaching the village along Church Hill.

What3Words: ///clocked.fall.boast

Please aim to arrive at the pub 15 minutes ahead of your session.

You can park in the pub car park, behind The Whody. From the front of the pub follow the road on your right (past the bus shelter) and walk South through the village around 150m towards the Church of the Holy Spirit. Cross over the small stone bridge in front of the church and continue up the lane another 150m until you see a sign for Steeky Meadow on your left. Then just follow the footpath and signs up through our woodland!

Please contact us if you require easier access to the site as this can be arranged.

WHAT TO BRING

All our activities take place outdoors, so please dress appropriately for the weather – warm clothes and waterproofs if it is raining and hats and suncream if we are lucky enough to get some sunshine!

Sturdy and waterproof footwear is recommended, especially in autumn and winter months or when it's been raining.

It's also a good idea to wear clothes that you don't mind getting a little dirty – mud and brambles are very common hazards for outdoor crafts!

If your course has a lunch break, please remember to bring a packed lunch, as well as any other snacks you want or medication you require.

SAFETY

Please remember that Steeky Meadow is an open, natural site so care must be taken at all times to avoid scratches and falls.

Some of our courses involve the use of sharp hand tools, which inherently come with some level of risk. The best way to avoid injuries is by respecting the tools and carefully following instructions and guidance on safe techniques.

TIMINGS

Our children's party sessions are 2.5 hours and typically run from 12:00 to 14:30, but please contact us if you would like to adjust these timings.

Full Term and Conditions can be found on our website www.steekymeadow.co.uk

For contact on the day, please call or message +447904967519.
